---

The following is an update on the measures CIHE/CBCC will adopt in view of the latest developments in the COVID-19 situation in Hong Kong.

Owing to the sudden increase in confirmed COVID-19 cases, CIHE/CBCC has decided to **suspend all regular face-to-face teaching from next Monday (7 December 2020) onwards**, until further notice. All lectures will be delivered online.

Separately, the mode of delivery, or alternative arrangements for **practical/laboratory and other skills based classes** will be announced by the respective Schools/Departments shortly.

Please stay vigilant with hygiene practices and keep your health a top priority.

Thank you for your kind attention.
